Estimated driving time: 1hr 15 min.

Start at Scronce's Creek and Hwy 19 on the

This is a loop. If you start at Scronce's Creek, you can take the Cane River Rd. (19w) back to Hwy 19. This is the best way to go because of the way the quilt blocks face.

## Quilt Trails of Western North Carolina

You can connect to the Green Mtn. Trail by turning left onto 19w at the end of Bald Mtn. Rd. and then turning right onto Coxe's Creek Rd. a few miles beyond.

NOTE: While we try hard to keep the maps updated, blocks are going up all the time and the maps may not always be accurate. If you spot a block not on the map, take a picture if you can and email it to us so we can update the map both for the next printing and for the internet. (In other words - become one of our volunteers!!)
